## REPORT NARRATIVE

### SYNOPSIS:

On 02/16/2014 at about 1135 hours, James Leonard Davis Jr. attacked his mother, [REDACTED] with a hatchet. James entered his mother's residence with a hatchet and walked into her bedroom. Without provocation, James swung the hatchet at [REDACTED] hitting her in the head and chest. While being struck, [REDACTED] told her son James, "You are killing me" and James replied, "I know" and continued to strike her with the hatchet.

James' step-father, [REDACTED] attempted to intervene during the altercation and was eventually able to get the hatchet away from James. James then got on top of [REDACTED] and punched her in the face multiple times. [REDACTED] and his step-son, [REDACTED] tried getting James off [REDACTED]. In order for James to continue his attack on [REDACTED] he punched [REDACTED] several times in the head. As a result of the strikes, [REDACTED] sustained a shoulder injury and later sought medical attention.

[REDACTED] attempted to defend himself during the attack using the wooden end of the hatchet. During the attack, [REDACTED] accidentally hit [REDACTED] on the back of the head and [REDACTED] sustained an abrasion that was bleeding and was treated at the hospital.

Deputies located James on the side of the house. He was given multiple commands to get on the ground. James did not comply, challenging deputies to shoot him. Force was needed to subdue him with the use of a Taser, K-9 and hand strikes. Deputies suffered minor injuries during the incident.

[REDACTED] sustained lacerations on her forehead and chest. She also had a laceration a bite on her left hand and she suffered a broken nose. [REDACTED] feared for her life during the altercation and an Emergency Protective Order (EPO) was granted by Judge Camarena for all of the victims involved.

All of the victims said they would cooperate with the court process and signed Medical Release Forms.

## ORIGIN:

On 02/16/15, at about 1135 hours, I was dispatched to [REDACTED] Lemon Street in Spring Valley for a call of an assault with a deadly weapon. (CAD #E2310822).

## BACKGROUND:

The reporting party was the grandson, [REDACTED] ([REDACTED] years old). [REDACTED] advised dispatch his uncle was trying to kill his grandmother and his uncle had a history of being violent. [REDACTED] was afraid and went to a neighbor's yard and continued to update dispatch on what he was hearing from the residence.

## INVESTIGATION:

I arrived on scene at approximately 1142 hours. I saw and heard Deputy Vail #0606 yell, "Sheriff's Department get on the ground or you will get bit" several times. I ran up to Deputy Vail to assist him. I saw a male, later identified as James Davis, walk towards the side of the house. Deputy Vail and I began to follow James. I knocked on the front door of the residence while Deputy Vail kept a visual on James. The front door opened and I asked is that the guy we are looking for (as I pointed to the direction of where James was) and multiple people told me yes. I told Deputy Vail, "That's him".

At this point I believed James was the suspect in the incident I was dealing with. Deputy Vail continued yelling at James, "Get on the ground or you're going to get bit" but he refused and yelled, "Just shoot me".

James began to advance towards Deputy Vail and me, so we began to move backwards to create distance between us and James. As James was advancing towards us, I was unsure if he was armed. James was wearing a red jacket and jeans, his eyes were large, there was blood on his face and he had a blank stare, "Thousand Yard Stare." Through my training and experience, I believed James might be under the influence of a controlled substance. People under the influence of narcotics are known to display irrational behaviors and have unpredictable actions.

James continued advancing towards us and to prevent him from attacking us or moving into an open area where he could escape and possibly injure someone else, I deployed my Taser from approximately

7-10 feet. James tensed up for a moment and then relaxed. The Taser was ineffective and Deputy Vail deployed his K-9 Hank. I observed Hank pull on James' jacket, but James continued to stand. James took a fighting stance and Deputy Vail pushed James to the ground causing him to fall on his buttocks. James attempted to stand on his feet and I tried grabbing his legs to gain control of them, but he continued kicking towards me. I momentarily moved out of the way because Deputy Vail wanted to reengage Hank onto James' right thigh. James continued to move his body to the side and I could not gain control of his arms. I yelled at James to, "Stop resisting" but he refused to obey my commands. I turned my gun side away from him in case he reached for my firearm. James continued to move around, but we were able to get him on his stomach. I yelled "Put your hands behind your back" but he kept his hands underneath his body by his waistband. I immediately began to hit James on the right side of the face with my right hand (palm strikes) because I feared he could have a weapon in his waistband and could injure me or my partner.

My strikes had no effect on James as he continued to keep his hands near his waistband and continued kicking his feet. I then kicked James multiple times on his outer right thigh because he was kicking towards me. I feared if I did not kick him, he would kick me and I would fall on the ground where he could gain advantage of me. I continued to yell, "Put your hands behind your back." To gain control of James, I placed my right knee on the side of his head and Deputy Douglas, #4911 arrived on scene and helped me get James' right arm behind his back as Deputy Vail had his left arm behind his back. Deputies handcuffed James and Deputy Vail removed Hank from his contact. Deputies stood by with James as I evaluated the scene. (See Deputy Vail's report for further detail).

Deputies advised dispatch that multiple medics were needed on scene. James received rake marks to the right side of his back and puncture wounds and lacerations to his right thigh. James was later transported and treated at UCSD Medical Center by Medical Doctor [REDACTED].

[REDACTED] sustained lacerations on her forehead and chest, had a laceration from a bite on her left hand, and she suffered a broken nose. [REDACTED] was treated at Scripps Mercy Hospital.

[REDACTED] sustained an abrasion that was bleeding and was treated at Grossmont hospital.

[REDACTED] sustained a shoulder injury and will later seek medical treatment.

I had blood exposure on my left forearm, a wound near my left elbow, and a scratch on my right arm. I also had pain on my right hand. I did not require medical treatment.

Deputy Vail had pain in his right hand and forearm. Deputy Vail did not require medical treatment.

I placed latex gloves on and collected the hatchet that was laying on the dirt near the front door of the residence. I placed the hatchet in a brown paper bag and placed it in my patrol car.

Deputy Sterbenz #7724 contacted victim [REDACTED] and reporting party [REDACTED] and took their statements. (See Deputy's Report for further detail).

Deputy Douglas contacted victim [REDACTED] and took her statement. (See Deputy's Report for further detail).

Deputy Blumenshine #2137 took pictures of the scene and contacted [REDACTED] and took his statement. (See Deputy's Report for further detail).

Deputy Wood #7730 contacted the on call Judge to request an EPO. (See Deputy's Report for further detail).

San Miguel Fire Department Engine, #7615, Engine, #7614, and American Medical Response (AMR), #256, arrived on scene to tend to the victims and James. AMR, #256, transported James to UCSD Medical Center for further treatment with Deputy Seaman #3035 in the ambulance.

I had blood on my uniform shirt and left forearm. I had a small abrasion near my left elbow and a scratch on my right arm. Deputy Blumenshine took photographs of my injuries before I left the scene.

I followed AMR, #256 to UCSD Medical Center. At the hospital, Medical Doctor [REDACTED] treated James. While at the hospital, James was uncooperative with the staff and refused to answer their questions. Canine Sergeant Hout, #2284 arrived at the hospital to investigate the incident involving the Sheriff's K9.

Deputy Vail and Deputy Seaman stayed at the hospital with James. Deputy Vail obtained consent from James and a blood specimen was collected. Deputy Seaman took custody of the blood sample and placed the sample into the evidence refrigerator at the Rancho San Diego Sheriff's Station. (See Deputy's report for further detail).

I went to Scripps Mercy Hospital and contacted [REDACTED] Doctor [REDACTED] Dr. [REDACTED] told me her injuries were non-life threatening, but she sustained a broken nose, a laceration on her left hand, forehead and chest.

I contacted [REDACTED] and she gave me the following statement.

## STATEMENTS:

### STATEMENT OF [REDACTED] (VICTIM):

[REDACTED] told me she had just talked to James' wife on the telephone. James wife [REDACTED] asked [REDACTED] if she had seen James because he was acting really strange the last couple of days and he was not sleeping. [REDACTED] told [REDACTED] she had not seen him. [REDACTED] got off the telephone and moments later

James entered her bedroom and started swinging a hatchet at her. James began hitting [REDACTED] with the hatchet. [REDACTED] was terrified and yelled, "James your're killing me." James said, "I know." She yelled, "James your killing your mom" as he continued to hit her with the hatchet. [REDACTED] and [REDACTED] attempted to get the hatchet away from James. During the incident, James bit her left hand. She was laying on her back on the floor and James punched her several times in the face.

[REDACTED] and [REDACTED] were eventually able to get James off of her and got James out of the bedroom. [REDACTED] got up and locked her bedroom door. [REDACTED] heard deputies yelling outside, "Get on the ground." [REDACTED] will cooperate with the court process.

## INVESTIGATION CONTINUED:

I took pictures of [REDACTED] and collected her clothing from the hospital. Later, Deputy Seaman gave me a copy of the served EPO on James. I placed a copy of the EPO in James' property bag which was later given to deputies at the hospital.

Deputy Douglas gave me the victims clothing and Deputy Blumenshine gave me the sheath he found in the suspect's vehicle. I used latex gloves when handling the items.

I took Pictures of the hatchet and the sheath. The lenght of the hatchet was 14.5 inches with the blade 7.5 inches. I was unable to see any blood on the hatchet. I later placed the hatchet and sheath into evidence at the Rancho San Diego Sheriff's Station.

I placed James under arrest for 664/187 (a) PC Attempted Murder; 245(a) (1) PC Assault with a Deadly Weapon: not Firearm; 243(d) Battery w/Serious Injury; 69 PC x2 Obstruct/Resist Officer with Minor Injury and 459 PC Burglary (Residential).

James when he attempted to stop James from assaulting [REDACTED] other son, [REDACTED], was also struck in the head when he attempted to help [REDACTED] control James.

When James attempted to leave the residence, he was confronted by deputies and was given commands to get on the ground. James refused to comply with the deputies orders and began advancing towards them. Deputies needed to use force, including the use of a Taser and Sheriff's K9 in order to gain control of James and place him under arrest. As a result of James' non-compliance, two Sheriff's Deputies were injured.

[REDACTED] was transported to Scripps Mercy Hospital for treatment to the injuries she sustained during the assault which included lacerations to her chest and forehead, a bite mark on her left hand ring finger, a broken nose and a broken toe. [REDACTED] was transported to Grossmont Hospital for treatment to a laceration to his head. [REDACTED] later drove himself to the hospital for treatment and James was transported to UCSD Hospital for treatment.

James was arrested for 664/187 PC Attempted Murder, 459 PC Burglary, 245(A)(1) PC Assault with a Deadly Weapon, 243(D) PC Battery with Serious Injury and two counts of 69 PC Threaten Executive Officer with Violence. Numerous items of evidence were collected including the hatchet and its sheath, clothing worn by [REDACTED] and James, DNA Swabs, James' blood sample, a bath towel, a pillow, bed sheets, disks containing photographs and audio recordings and several consent to search forms and medical records release forms. James' vehicle was searched and later released to his wife, [REDACTED] who is the registered owner. James did not want to give a statement regarding the incident. Prosecution is desired.

## ORIGIN:

On 02/16/15, at approximately 1300 hours, I received a text message from Sergeant Hampton #2016, of a callout for an assault with a deadly weapon at [REDACTED] Lemon Street in Spring Valley. According to Sergeant Hampton, the suspect had attacked his mother with a hatchet at her residence.

## BACKGROUND:

James is married to [REDACTED] and they reside at [REDACTED] in El Cajon. [REDACTED] is James' mother and [REDACTED] is James' brother. [REDACTED] is [REDACTED] husband and James' step-father. [REDACTED] is [REDACTED] and [REDACTED] son. [REDACTED] and [REDACTED] all reside at [REDACTED] in Spring Valley. [REDACTED] resides at [REDACTED] and is friends with [REDACTED]

## INVESTIGATION:

I arrived on scene at approximately 1430 hours and was briefed on the incident by Sergeant McEvoy #2625 and Deputies Wood #7730 and Blumenshine #2137. I was informed that [REDACTED] and James

were at the hospital receiving treatment for injuries they sustained during the incident. I was also told that [REDACTED] was still at the crime scene and that James' truck was parked in the driveway of the residence. Sergeant McEvoy informed me the attack occurred in [REDACTED] and [REDACTED] bedroom which is at the rear of the residence and James was arrested by deputies in a driveway, just west of [REDACTED] and [REDACTED] residence. The driveway where James was arrested, leads to [REDACTED] Lemon Street, which is an attached residence directly behind [REDACTED] and [REDACTED] residence.

Sergeant McEvoy further stated that James arrived at [REDACTED] [REDACTED] [REDACTED] and [REDACTED] residence and entered the front door. [REDACTED] and [REDACTED] were in their bedroom when James walked in and hit [REDACTED] with a hatchet several times. Sergeant McEvoy stated he thought James hit [REDACTED] head and chest with the hatchet. [REDACTED] and [REDACTED] were able to stop James from attacking [REDACTED] and get the hatchet away from him. [REDACTED] called 911 during the attack. [REDACTED] was with [REDACTED] at the residence when the attack occurred. I was also informed that [REDACTED] had signed a consent to search form allowing us to search his residence.

After being briefed, I met with Detective Cornelius #1951, who arrived at the scene. Detective Cornelius and I inspected the crime scene for any evidence. When I entered the back room ([REDACTED] and [REDACTED] bedroom), I noticed what appeared to be blood stains on the bed sheets at the foot of the bed and near the headboard. A purple towel was also on the bed and it appeared to have blood on it as well. The purple towel and the stains that were near the headboard were near the west wall of the bedroom.

On the ground and in between the bed and the west wall of the bedroom, I noticed a fairly large stain of what appeared to be blood on the carpet. Sitting on top of the stain was a white and purple pillow that also appeared to have blood on it. I did not notice any other stains inside the residence that resembled blood. In the driveway where James was arrested, I noticed a red stain on the concrete that appeared to be blood.

I requested Detective Cornelius photograph the crime scene and assist with collecting several items of evidence. While Detective Cornelius was processing the items of evidence, I assisted him with packaging the towel and the pillow. I wore a fresh pair of latex gloves while handling the towel and pillow and changed the gloves in between each handling. Detective Cornelius gave me the items of evidence he collected and I secured them in my department issued vehicle (See Detective Cornelius' Deputy's Report for details).

While assisting with processing the scene, I requested Detective Moore #2272 respond to Mercy Hospital and interview [REDACTED] regarding the incident (See Detective Moore's Deputy's Report for details). I also requested Detective Ellis #2083 respond to Grossmont Hospital to interview [REDACTED]. After Detective Ellis finished interviewing [REDACTED] he met with me at the scene and I requested he interview [REDACTED] and [REDACTED] just arrived at the scene ( See Detective Ellis' Deputy's Report for details).

I contacted [REDACTED] at the scene and verified she was one of the registered owners of the truck James drove over to the residence. [REDACTED] signed a consent to search form allowing me to search the truck. I noticed a half empty 32 ounce bottle of Bud Ice lying on the passenger side floor board. I searched the truck but found nothing of evidentiary value. I released the truck to [REDACTED]. A check of surrounding residences was completed and no other witnesses were located.

I cleared the scene at approximately 1707 hours and met with Detectives Ellis and Cornelius at the Rancho San Diego Station. While at the station, Detective Cornelius and I placed the bloody pillow and towel into the evidence dryer in the stations evidence room due to the fact that they were still wet. I again wore clean latex gloves while handling the towel and pillow and changed them in between each handling. I cleaned the dryer with the provided bleach solution prior to placing the towel and pillow into it. I secured all the other items of evidence in a temporary locker in the stations evidence room.

After securing the evidence, Detective Ellis and I drove to UCSD Hospital to interview James regarding the incident. Detective Ellis and I arrived at UCSD Hospital at approximately 1915 hours and met with James. James was admitted by hospital staff for observation and was being guarded by two deputies from San Diego Central Jail. I explained to James who Detective Ellis and I were and I asked him if I could obtain a DNA reference sample from him. James told me I could and he let me swab the inside of his mouth with a reference swab kit. I sealed the kit and then told James I would like to speak to him about the incident and he immediately said, "I want a lawyer and don't want to talk." I did not obtain a statement from James. I checked James' wallet and property for any receipts for the purchase of the hatchet but I could not locate one. I impounded James' cellular phone for evidence.

As I was speaking to the deputies who were guarding James, I could hear James talking to himself and saying, "It doesn't matter anyway, you should just kill me. I fucked up and I'm done" and "Just kill me, I don't deserve to live." Detective Ellis and I cleared the hospital a short time later.

Detective Cornelius removed the towel and pillow from the dryer on 02/18/15 and gave them to me. I packaged the towel and pillow and sealed them. Also on 02/18/15, Detective Moore gave me a DNA reference swab he obtained from [REDACTED] and a CDR Disk containing his interview with her. Detective Ellis gave me separate DNA reference swabs he collected from [REDACTED] and [REDACTED] and he gave me a CDR Disk containing his interviews of [REDACTED] [REDACTED] [REDACTED] and [REDACTED]. I made a copy of all the photographs that were in the cases URL folder.

I placed the following items into evidence at the Rancho San Diego Station: a disk containing photographs, the bed sheets, the pillow, the purple towel, [REDACTED] Shirt, [REDACTED] socks, James' cellular telephone, James' reference swab, [REDACTED] reference swab, [REDACTED] reference swab, [REDACTED] reference swab, a stain collection kit used on the bed, a stain collection kit used on the driveway, a stain collection kit used on the bedroom carpet, a disk containing [REDACTED] interview, a disk containing interviews of [REDACTED] [REDACTED] and [REDACTED] and a consent to search form signed by [REDACTED].

On 02/20/15, at about 1015 hours, I met with [REDACTED] at her residence and took eleven additional photographs of injuries. While taking the photographs I noticed [REDACTED] had a laceration to her left hand ring finger, a laceration to her chest, a laceration to her forehead that was closed with stitches, bruising to both of her eyes, bruising to both of her arms and shoulders, bruising to her left jaw line and a broken toe on her right foot. [REDACTED] informed me [REDACTED] and [REDACTED] were not at the residence. I later copied those photographs onto a disk and placed the disk into evidence at the Rancho San Diego Station.

On 02/26/15, I obtained a copy of the 911 call and Sheriff's radio traffic on a disk from Dispatcher Hollie #6670, who is assigned to the San Diego Sheriff's Communications Center. The disk was sent to me in a San Diego County Inter Office Envelope. I placed the copy of the 911 call and Sheriff's radio traffic into evidence at the Rancho San Diego Station.

**SUSPECT/S (Not Yet Arrested)****WITNESSES****OTHER ENTITIES****PROPERTY****REPORT NARRATIVE****ORIGIN:**

On 06/13/16, I was assigned to the Rancho San Diego Investigations Unit.

**INVESTIGATION:**

I was contacted by Deputy District Attorney (DDA) Modlin who requested I attempt to download James Davis' (Defendant) telephone for phone numbers that Davis needed for trial. I checked Davis' telephone out of sheriff's main evidence on 06/17/16. On 06/21/16, I attempted to download the contacts off Davis' telephone with negative results. I notified DDA Modlin about not being able to download the contacts. DDA Modlin instructed me to bring the telephone to El Cajon Court on 07/11/16 so that Davis could examine the telephone in court. I met with DDA Modlin and Davis' attorney at El Cajon Court on 07/11/16. I was instructed by DDA Modlin to accompany Davis' attorney while she visited with Davis in court holding. Davis' attorney and I met with him in court holding and I let Davis view his telephone. After Davis obtained the contacts he needed, I was released from court. On 07/12/16, I placed Davis' telephone back into evidence at the Rancho San Diego station.

Case No. **15108295**Report No. **39089****2**

On 2/16/15, at 1140 hours, I responded to [REDACTED] Lemon Street to assist Deputies with a combative suspect that was attempting to kill his mother. (CAD#E2310822)

## DEPUTY'S OBSERVATIONS AND ACTIONS:

I arrived on scene at 1148 hours. I took photographs of [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED], and the scene. I took photographs of Deputy Ventura (0091) and Deputy Vail (0606).

I contacted a white male adult standing at the front porch of the residence. [REDACTED] provided me with a statement of the incidents that took place.

## STATEMENTS:

### STATEMENT OF [REDACTED] (VICTIM):

[REDACTED] stated that James Davis is his step-son. [REDACTED] was previously married when she had James. Approximately 20 years ago, James attempted to cut [REDACTED] throat and kill her. James did 10 years in prison for attempting to murder his mother. James has since been released and has not had any issues with the family.

[REDACTED] stated that he and his wife were lying in bed watching television at approximately 1115 hours. [REDACTED] does not remember what time he saw James, but remembered seeing James coming into the room holding a double bladed hatchet. James looked directly at [REDACTED] and shouted, "I'm going to kill you." James ran at [REDACTED] and jumped on top of her while swinging the hatchet at her. The hatchet struck [REDACTED] in the head causing her to scream very loud. [REDACTED] started to fight James in an attempt to stop him from killing [REDACTED]. [REDACTED] heard James shout again that he was going to kill [REDACTED].

[REDACTED] stated that he was trying to restrain James and get the hatchet from him but wasn't strong enough. James was able to hit [REDACTED] with the hatchet approximately 2 to 3 more times before [REDACTED] came to the door. [REDACTED] explained that [REDACTED] is James' brother and [REDACTED] step son. [REDACTED] suffers from chronic epileptic seizures and requires full time care. [REDACTED] began shouting for [REDACTED] to help him stop James from killing [REDACTED]. [REDACTED] was lying on top of [REDACTED] while trying to push James off of her.

[REDACTED] stated that he was struck multiple times in the back of the head and in his body. He does not remember what James hit him with. [REDACTED] ran into the room and grabbed James from behind. [REDACTED] attempted to put James into a choke hold while [REDACTED] tried to wrestle the hatchet away from him. [REDACTED] was successful in disarming James after a struggle and began using the butt of the hatchet to try and strike James in the head. James continued to punch [REDACTED] in the face while shouting that he was going to kill her. [REDACTED] stated that he didn't know what to do because he didn't know how to stop James. While attempting to strike James, [REDACTED] accidentally struck [REDACTED] in the head with the butt of the hatchet.

[REDACTED] ran out of the residence with the hatchet in order to get the weapon out of the house and to try to get help from the neighbors. [REDACTED] threw the hatchet down onto the ground into the planter. [REDACTED] attempted to contact multiple neighbors to get help but could not find anyone. [REDACTED] felt dizzy and disoriented. [REDACTED] cannot remember what happened next but remembered seeing James outside the house and locking himself and his family inside the residence.

[REDACTED] heard and saw a male Deputy begin to shout at James. The Deputy shouted at James approximately 5 to 6 times stating, "Get on the ground!" [REDACTED] saw Deputy Vail and Deputy Ventura with James on his driveway. [REDACTED] said that James began fighting the Deputies. [REDACTED] became afraid for the "Female Deputy" because he thought James was going to seriously injure her. [REDACTED] ran outside to help the Deputies fight James. Deputy Ventura instructed [REDACTED] to lock himself inside his residence. Shortly after the K-9 bit James and the TASER was deployed, more Deputies arrived and took him into custody.

[REDACTED] had complaints of pain to his head, his right shoulder, his arms and hands, and general soreness all over the torso of his body. [REDACTED] stated he does not remember if he was knocked unconscious or not. [REDACTED] denied medical attention but later went to the hospital.

[REDACTED] stated he is willing to cooperate with the District Attorney's Office. I provided [REDACTED] with the case number, my name, and a victim's pamphlet with instructions on how to seek a restraining order.

I concluded my interview of [REDACTED]

## DEPUTY'S OBSERVATIONS AND ACTIONS:

Sergeant McEvoy (2625) contacted [REDACTED] over the phone who gave us permission to search her truck that James had been driving. Before entering the vehicle, I observed a black weave sheath with zip ties lying on the passenger-side floorboard of the truck. The sheath appeared to belong to the double bladed hatchet that James had used to strike [REDACTED] with.

I took digital photographs of the vehicle before searching it. While searching the vehicle, I collected the black weave sheath for evidence by putting on latex gloves and placing it into a brown paper bag. I gave the brown paper bag containing the black weave sheath to Deputy Ventura. Additionally, during my search, I observed an open 32 oz. Bud Ice beer bottle. I took digital photographs of the beer bottle.

[REDACTED] arrived on scene. [REDACTED] had [REDACTED] take his [REDACTED] year old son [REDACTED] [REDACTED] home to her house. [REDACTED] is [REDACTED] aunt.

This concluded my involvement in this case.

**INDIVIDUAL/S****REPORT NARRATIVE****Origin:**

On 2/16/15, I was assigned as a Sheriff's Investigator working out of the Rancho San Diego Sheriff's Station Investigation Unit. Sergeant G. Hampton #2016 called me out to assist patrol on an attempt murder at █████ Lemon Street, Spring Valley.

**Investigation:**

I arrived at the scene at 1457 hours. I met with Detective Weber and Sergeant Mcevoy. I learned that █████ was attacked by her son James Davis with a hatchet. █████ and Davis were in the hospital receiving treatment for their injuries. Detective Weber briefed me of his findings and walked me through the crime scene.

I started by taking photos of the crime scene outside and inside the home. I took photos of the entire home. After the photographs I placed a yellow Sheriff's evidence placard on all items that were to be documented and collected for evidence. I placed the yellow placard near blood stains that were to be swabbed. I used placards 1-6.

Placard 1 was placed on Davis' vehicle driver's side door that was parked in the victims' driveway. I moved inside the house and placed placard 2 on █████ sheet that was on the bed. The placard marked a blood stain. I placed placard 3 on the right side at the foot of the bed marking a blood stain. I placed placard 4 near a purple hand towel and some blood stains that were near the towel. I placed placard 5 on the floor near a bloody area and near a bloody throw pillow. I placed placard 6 on a blood stain that was on the concrete walkway adjacent to the victim's home. The walkway is used by the neighbor's. The neighbors' home is in the rear of █████ home.

I swabbed the blood stains near placard 4, 5 and 6. I sealed the evidence packages and turned them over to Detective Weber. Detective Weber and I collected the towel and throw pillow. Detective Weber took custody of all the evidence we collected at the scene.

At Rancho San Diego station I assisted Detective Weber in placing the bloody towel and throw pillow into the Sheriff's drying cabinet.

On 2/18/15, at about 0645 hours, I removed the dry towel and throw pillow from the drying cabinet. I turned those items over to Detective Weber. I concluded my involvement in this case.

**REPORT NARRATIVE**

Origin:

On 02-16-15, at 1135 hours, Deputies Seaman #3035, Vail #0606, Ventura #0091, Blumenshine #2137, Wood #7730 and I were dispatched to an assault with a weapon call ██████ Lemon Street in Spring Valley. The following incident occurred (CAD#E2310822).

Deputy's Observations and Actions:

Prior to my arrival, I learned the suspect, James Davis, was fighting with his mother, later identified as ██████. The reporting party then advised that James was on top of ██████ and assaulting her. I drove code-3 lights and sirens to the location. Prior to my arrival, Deputies Vail and Ventura arrived and contacted James. Deputy Vail radioed that James was not complying with his orders.

I arrived at the above location and could hear Deputies giving James orders. I arrived at Deputies Vail and Ventura's location. James was lying on his stomach. Deputy Vail was holding his left arm behind his back, Deputy Ventura was attempting to place his right arm behind his back and Deputy Vail's partner, Hank, was on his right leg. I instructed James to place his right

arm behind his back and he did not comply. Fearing James would attempt to obtain a weapon on his person or fight and hurt us, I punched James with a closed fist on his right abdomen area. James stated, "Ok, ok." Deputy Ventura was able to place James' right hand behind his back. James was placed into handcuffs. I had no further involvement with James.

If I had not used force to overcome James' resistance, he could have seriously injured Deputies Vail, Ventura, or myself.

I went into the residence and contacted [REDACTED] and [REDACTED]. I observed blood behind [REDACTED] right ear. He appeared confused and I told him to sit down because he might have a head injury. [REDACTED] told me his wife, [REDACTED] was in her bedroom. I went inside the bedroom and found [REDACTED] sitting on the bed. I observed blood coming out of [REDACTED] head. [REDACTED] was shaking hysterically due to the trauma of being struck in her head. I advised the Fire Department to enter to assess the victim's injuries. While the Fire Department evaluated [REDACTED] I obtained the following statement.

## STATEMENT:

Statement of [REDACTED] (victim)

[REDACTED] was in her bedroom lying down. James burst through her bedroom door. [REDACTED] asked him what was wrong. James began swinging an axe at [REDACTED]. [REDACTED] screamed for help. James swung the axe at [REDACTED] and she believed James struck her with the axe. [REDACTED] does not know how she ended up on the floor. Her husband, [REDACTED] and son, [REDACTED] attempted to get James off of [REDACTED]. James continued to punch [REDACTED] in the face and in her head. James punched [REDACTED] in the nose and caused her nose to bleed. James was on top of her and she could barely breathe. [REDACTED] and [REDACTED] continued to attempt to get James off of [REDACTED]. James placed his hands around [REDACTED] neck and squeezed tight. [REDACTED] could not breathe and thought she was going to die. [REDACTED] yelled out for [REDACTED] to grab an object and hit James with it. With [REDACTED] and [REDACTED] assisting they were finally able to get James off of her.

## Deputy's Observations and Actions: (continued)

After I obtained [REDACTED] statement, I had her sign a medical records release form. I collected James' clothing that was cut off by the Fire Department.

I gave James' clothing to Deputy Ventura. I had no further involvement in this case.

## REPORT NARRATIVE

## Origin:

On 02/16/15 at approximately 1400 hours, I was assigned as an Area Detective in the Rancho San Diego Detective Unit. I received a telephone call from Sergeant Hampton to respond to Grossmont Hospital to interview a victim (██████████) on an attempted murder case. Sergeant Hampton also requested I speak with Detective Weber regarding further assignments.

## Investigation:

I arrived at Grossmont Hospital at approximately 1435 hours. I was directed to room #A-13 and I spoke with the victim (██████████). As I introduced myself to (██████████) I could tell he had some sort of mental disability. (██████████) told me he suffers from epilepsy and he is on SSI. (██████████) gave me the following statement. His statement was audio recorded and the following is only a summary of what he told me.

## Statement of (██████████) (Victim/Witness):

On 02/16/15 in the early afternoon (██████████) was in his bedroom. His mother (██████████) and his step-father (██████████) were in their bedroom down the hallway.

(██████████) heard yelling coming from his mother's bedroom. (██████████) went to see what was going on. When he got to her bedroom he saw his mother bleeding heavily from her head and her face. (██████████) saw his brother James and (██████████) fighting on the bed. (██████████) saw James punch his mother in the face. (██████████) was trying to tackle James. (██████████) went to where James was and he put James in a head lock. (██████████) was trying to hit James with a stick he had in his hand. (██████████) accidentally struck (██████████) on the head with the stick. (██████████) said he got hit in the head by (██████████) probably by accident. (██████████) thinks James showed up at the house with a hatchet in his hands.

(██████████) said (██████████) and James continued to fight with one another and they ended up near the front door of the residence. Somehow (██████████) was able to get James out of the house and lock the door behind him. (██████████) said after a little while he saw the Sheriff's Deputy and the K-9 outside with James. (██████████) saw James fighting with the Deputies and the K-9. (██████████) saw the K-9 bite James because he was still fighting with them.

I asked (██████████) if James and his mother got along. (██████████) told me that his mother was in the hospital on Valentine's Day (02/14/15). James showed up at the hospital and he gave his mother roses.

(██████████) said James was arrested a long time ago for trying to attack his mother. He said James went to prison for that case for 5 years. James was sent to Folsom Prison in 1994. (██████████) said James was released from prison in 2004. There have not been any major incidents between James and his mother since his release from prison.

(██████████) said James lives in El Cajon with his wife and their 2 kids. I asked (██████████) if there was anybody else inside the residence when the attack occurred. (██████████) said his nephew (██████████) and (██████████) friend were in the house but they ran outside before the police arrived.

## Investigation (Continued):

I asked (██████████) if I could photograph his injuries and he said that would be fine. I took photos of (██████████) head. It appeared that (██████████) had a bump on his head but no cut on his head. I noticed that (██████████) had blood on his t-shirt. (██████████) gave me permission to take possession of his t-shirt.

I placed (██████████) t-shirt into a paper bag. I placed the paper bag into my county issued vehicle. I later gave the t-shirt to Detective Weber and he placed the t-shirt into evidence at the Rancho San Diego Station.

I took photos of [REDACTED] injury and I later downloaded the photos to a CD-ROM. I gave the CD-ROM to Detective Weber.

I telephoned Detective Weber and he requested I respond to [REDACTED] Lemon Street to assist with witness statements. I arrived on scene and I spoke with [REDACTED]. [REDACTED] gave me the following statement. His statement was audio recorded. The following is only a summary of his statement.

Statement of [REDACTED]:(Victim):

[REDACTED] is married to [REDACTED] the victim in this case. [REDACTED] is a step-father to James and [REDACTED] [REDACTED] lives in the same residence as [REDACTED] and [REDACTED] James lives in El Cajon with his wife and their two children.

[REDACTED] was in his bedroom with his wife. He had just got out of bed and was in the process of getting ready fo work. [REDACTED] and his wife were in bed when all of a sudden James came through the door with a hatchet in his hand. James said something to the effect that he was going to kill his mother. James jumped on top of his mother and [REDACTED] jumped on top of James. James swung the hatchet and hit [REDACTED] once in the head. [REDACTED] was able to knock the hatchet out of James' hands.

[REDACTED] picked up the hatchet and struck James in the head with the handle part of the hatchet. James continued to attack [REDACTED] and he punched her in the face. [REDACTED] was trying his best to get James off of [REDACTED] [REDACTED] was able to get in between James and [REDACTED] and [REDACTED] said that she could not breath.

[REDACTED] said that [REDACTED] came into the room. [REDACTED] told [REDACTED] to help him. [REDACTED] came over and tried to help but he is a little handicap. [REDACTED] responded by putting James in a headlock and tried to pull him back. [REDACTED] was able to grab the hatchet and throw it out the front door and under some bushes so James could not find it.

[REDACTED] went back inside and James and [REDACTED] were still fighting. Somehow James went out the front door and [REDACTED] locked it behind him so James would not come back inside. [REDACTED] opened the door to see where James was going and he saw him walking down the neighbor's driveway. [REDACTED] thinks James was walking down the driveway so he could get into the back part of the house.

As James was walking down the driveway he saw a Sheriff Deputy arrive in a patrol car. The Deputy yelled at James to get on the ground several times. James did not follow the commands of the Deputy. The Deputy sent the dog and it made contact with James' arm and jacket. This did not seem to have any affect on James. Another Deputy Tasered James and that did not seem to have any affect on him. James finally went to the ground and he was still continuing to fight with the Deputies.

[REDACTED] walked over to the female Deputy to see if she needed help. He thought the female Deputy was going to get hurt because she was so small and James was still fighting after he was tasered. The female Deputy told [REDACTED] to go back into the house. [REDACTED] complied and went back into the house. [REDACTED] looked outside and [REDACTED] was continuing to fight with the Deputies.

After a few minutes went by two additional Deputies arrived on scene and they eventually were able to subdue James.

I asked [REDACTED] if James knocked on the door before he walked inside the residence. [REDACTED] said James just walked inside with a hatchet in his hand and a crazed look in his eyes. [REDACTED] said James' eyes were black when he walked into their room. Like he was not all there.

[REDACTED] said James and [REDACTED] had an incident several years prior. [REDACTED] said James tried to cut [REDACTED] throat and he had to fight James during that incident. James went to prison for 10 years because of the earlier incident. According to [REDACTED] James' throat was slashed by another inmate while he was in prison.

[REDACTED] says that James has a drinking problem and he has had a drinking problem for years. James changes in a violent manner when he drinks alcohol. [REDACTED] told me a story that James, his family and some other friends were camping together. James was drinking alcohol and began talking to himself and saying off the wall things. This incident happened in the early morning hours. It scared James' friends so much they packed up and left the camping site.

█ described the hatchet as black except the two edges were shiny in color. The hatchet had a rubber handle. █ said the hatchet looked brand new to him. █ has never known James to carry any type of hatchet.

█ went back inside and helped his wife until paramedics arrived on scene. █ said █ was bleeding heavily from her head.

## Investigation Continued:

I took several photos of █ I noticed that █ had blood on his socks. I collected █ socks and I placed them into a paper bag. Detective Weber took possession of the bloody socks.

Detective Weber requested I conduct a witness check at █ Lemon Avenue next door to the crime scene. There was no answer at the front door. I went across the street to █ Lemon Avenue. I spoke with █ DOB █. █ told me he did not witness the incident because he was in his backyard doing yardwork. █ only heard the sirens.

James' wife █ arrived on scene and she gave me the following statement.

Statement of █:(Witness):

█ has been married to James for 8 years and they have been together for 10 years. They have 2 children together. They live together with their daughters at █ in El Cajon.

█ stated that James has a 19 year old daughter from a previous relationship and she lives in Las Vegas. His daughter called James on 02/13/15 and told him that she has been the victim of spousal abuse. The evening of Valentines day James received a text from his 19 year old daughter.

She told James that she wanted to speak to him in person and that she would come by his house on 02/15/15. This information ruined plans that James had. █ had bought James a boat and he was excited to take it out. James changed those plans after his daughter had called him.

On 02/15/15 at about 0930 in the morning, James' daughter came by his house and they spoke about something she is not sure of because she did not hear their conversation. She does think it was about James' daughter being abused by her boyfriend.

█ says that James did not take the conversation he had with his daughter. She said he began drinking alcohol starting on Valentine's Day. James does not handle alcohol well. █ was busy all day with her daughter's on Valentine's Day. She told James that he could have the day to himself.

On 02/15/15 James and █ stayed up until about 2 o'clock in the morning. █ said James was moody throughout the day. She feels that James was probably thinking about what his 19 year old daughter had told him. █ was in bed and she told James to go to sleep. James said that he wanted a bunch of pills so he could kill himself. █ thinks that James has schizophrenia and his mind was playing games with him.

█ said when James drinks alcohol it makes him angry and it makes him think of the past. █. When James is stressed he stays up for days at a time. James left their house and she thinks he went to the store. James returned home and he was sitting on the bed and █ woke up and she asked James where he went and what he got. James bought some Benedril and he was taking these pills. █ thinks he took about 3 pills. She wasn't too worried because he would probably just fall asleep.

On 02/16/15 █ woke up at about 10:00 in the morning. █ went to the living room and saw James playing an art project with his 2 daughter's. █ was talking with James for about 30 to 45 minutes. █ asked James if he had been drinking alcohol when he woke up in the morning. James denied drinking alcohol in the morning. █ asked James if he could go to the pharmacy and pick up a few prescriptions. James agreed and left for the pharmacy. The pharmacy is located at Broadway and 2nd Street in El Cajon, not far from their house.

█████ called James's mother █████ and she told her James was having a bad day. She asked █████ if she could call James and tell her that she loved him because he was having a bad day. █████ told █████ that she could not handle the stress and it was █████ problem.

█████ says James has been unemployed for 3 years. I asked █████ what time did she last see James on the morning of 02/16/15. █████ said she last saw James at 11:00 in the morning. James was only supposed to go to the pharmacy. James did not tell █████ that he was going to his mother's house.

█████ said she talked to her neighbor and she asked if she saw James in the morning. The neighbor said she saw James at 7:30 in the morning sitting on the tailgate of his truck drinking beer.

█████ said they did not own a hatchet and she did not know where James would have obtained one. █████ said James has an American Express card that she can put money on. She said James should have \$50.00 on the card. █████ checked her cell phone and confirmed that James still had \$50.00 on the card.

█████ said James took out \$400.00 on Valentines Day and he should still have money. James bought \$200.00 earrings for for Valentine's Day.

I concluded my interview with █████

## Investigation Continued:

I learned there was an █████ year old girl that may have been in the residence when the attack occurred. I went to █████ Lemon Street across the street from the victim's residence. I spoke with █████ mother to █████ is █████ years old and she is friends with █████ the boy that called 911 to report the incident. █████ gave me the following statement.

## Statement of █████ (Witness):

█████ was visiting █████ at his house that is across the street from her house. █████ and █████ were inside █████ room playing video games. █████ heard screaming outside of █████ room. They waited for a few seconds and when the screaming continued they opened █████ door. █████ grabbed the home telephone and they ran out of █████ room and they went outside and hid behind a truck.

█████ recognized the screams as being █████ grandmother █████ and grandfather █████ █████ knows James but she did not see James inside the house before she ran outside. She did recognize James's red truck was parked in the driveway. While they were hiding outside █████ came outside and told █████ to call 911. After a few minutes, █████ saw James walk outside and a short time later, Sheriff Deputies arrived on scene.

█████ saw James walk in the driveway next door. She heard the sheriff deputies tell James to get on the ground and then she heard James yelling "Ow". █████ did not see the Sheriff's dog bite James.

█████ then saw █████ walk out of the house with blood on her head.

I asked █████ if she heard James knock on the door. She said she did not hear him knock but she heard the front door open and a short time later she heard screaming from the back room. █████ said █████ room is right next door to █████ and █████ room.

## Investigation Continued:

I downloaded the interviews with █████ █████ █████ and █████ I downloaded the interviews onto a CD-ROM and I gave the CD-ROM to Detective Weber.

On 02/17/15 I went to the Lowes store in Santee to see if they sold the type of ax James attacked his mother with. The Lowes store and the Wal Mart store in Santee did not sell this type of ax.

**REPORT NARRATIVE****SYNOPSIS:**

█████ was attacked with a hatchet by her son James Davis. This report is to document my interview with █████

**ORIGIN:**

On 2-16-15, at 1400 hours, I received a detective call out to assist Detective Weber due to a man attacking his mother with a hatchet.

**INVESTIGATIVE FOLLOW UP:**

I contacted Detective Weber who requested I interview █████ at Mercy Hospital. I arrived at Mercy Hospital at 1630 hours. █████ was in a hospital bed and I observed a 1/2 inch cut on her forehead which had two stitches to close the wound. █████ had two black eyes and her nose was bandaged due to the nose being broken. █████ told me she had a cut on her chest and she showed me a cut that was approximately four inches long that went from the upper left side of her chest in a downward direction to the lower right portion of her chest. The cut did not appear to be a deep cut because I did not see any stitches to close the wound. █████ also complained of pain to her right side rib cage area and pain to her left hand ring finger. The ring finger was bandaged and I did not see the wound. I obtained the following statement. The interview was recorded for accuracy.

**STATEMENT OF VICTIM █████:**

James Davis is █████ 44 year old son from her first marriage. █████ described James as a good child who wanted to be an auto mechanic when he grew up. James went to Granite Hills High School and he began to smoke pot. James began ditching school on Mondays and Fridays. James never graduated High School. James continued to live at home and he went through a series of minimum wage jobs. James moved out at 20 years old with a girlfriend but quickly moved back home because he did not get along with his girlfriend.

In 1992 James began to show psychotic episodes. James told [REDACTED] he had to give up something he loved so he could live. James then put a knife to [REDACTED] neck and James tried to cut her throat. [REDACTED] was not injured because James used the unsharpened side of the knife. James was taken to County Mental Health and James kept trying to escape CMH by climbing the fences. No criminal charges were filed and James went on psyche meds [REDACTED] believed the drug was Halperidol). James went to live with a niece [REDACTED] in Hysperia, California for six months. James came back to San Diego and [REDACTED] allowed James to move back in. James continued to show psychotic episodes and one time he told his mother he had to kill the Easter Bunny.

James got a job working in a warehouse in downtown San Diego. James once again attacked [REDACTED] with a knife when James was 22 years old. [REDACTED] was not killed because James attacked [REDACTED] with a dull barbeque knife. James was arrested for assault with a deadly weapon. James was sentenced to four years but he was released after a year. [REDACTED] allowed James to move back home. James then met a woman named [REDACTED]. They married and James moved out. James and [REDACTED] had a baby together. James violated his probation and James was sentenced to three years in prison. [REDACTED] said James was not doing his drug testing and he was dodging his Parole Officer so he was sentenced to prison. [REDACTED] told me James served almost 10 years in prison and [REDACTED] did not know why. [REDACTED] knew James was caught trying to escape from Folsom Prison. James was caught and sent to Pelican Bay Prison. James was released in 2004.

James met [REDACTED] after he was released. James and [REDACTED] got married and they had two children together. [REDACTED] got sick and she had to have both legs amputated. James stopped working to become [REDACTED] caregiver. James lives in El Cajon with his disabled wife [REDACTED] and two daughters. James and [REDACTED] have had a good relationship the past ten years and they talk frequently. I asked when was the last time she talked to James and [REDACTED] stated she was recently in Grossmont Hospital for an ulcer. James brought his two daughters to the hospital on Valentine's Day and James brought her a red rose.

[REDACTED] currently lives in the residence with her husband [REDACTED] her [REDACTED] year old disabled son [REDACTED] and her [REDACTED] year old grandson [REDACTED]. At the time of today's incident, [REDACTED] had a friend named [REDACTED] (also [REDACTED] years old) at the residence. [REDACTED] believes [REDACTED] was either in his room or in the living room when the incident occurred.

I asked [REDACTED] to describe what happened today. [REDACTED] said she was in the bedroom at about noon with her husband [REDACTED] when she received a phone call from her daughter in law [REDACTED]. [REDACTED] told [REDACTED] about James not sleeping in four days and acting strange. [REDACTED] asked [REDACTED] to talk to James. [REDACTED] hung up the phone and about 15 seconds later the door flew open and James was quickly entering the room holding a small hatchet in his right hand at his shoulder level. James was yelling something but [REDACTED] could not hear what her son was saying. James swung the hatchet at [REDACTED] head and the sharp end of the hatchet struck her in the middle of the forehead. James then swung the hatchet at [REDACTED] chest striking her in the chest. [REDACTED] fell to the ground and James was on top of her still holding the hatchet. [REDACTED] yelled, "James I am your mother. What are you doing?" [REDACTED] then jumped on top of James in an attempt to stop the attack. [REDACTED] entered the room and also tried to stop the attack by jumping on top of James. [REDACTED] was able to wrestle the hatchet away from James who now had his right arm free. James then punched [REDACTED] in the nose with a closed fist causing her nose to break. [REDACTED] saw a large amount of blood appear after she was punched in the nose. [REDACTED] said, "James your killing me" and James replied, "I know." [REDACTED] told James to get off of her and then James bit her left hand ring finger. [REDACTED] thought James was trying to bite her finger off because he was biting so hard. [REDACTED] grabbed James' testicles and that caused James to stop biting her. [REDACTED] told me she could not breathe because James, [REDACTED] and [REDACTED] were all on top of her. [REDACTED] admitted she wanted [REDACTED] to shoot or stab James to make James stop. [REDACTED] and [REDACTED] were able to get James off of [REDACTED] and they all left the room. [REDACTED] was able to get up and lock the bedroom door. [REDACTED] heard a female deputy yelling, "Get on the ground." [REDACTED] stated it sounded as if James was not cooperating with the deputies. [REDACTED] estimated the attack lasted three or four minutes. I asked who called 911 and [REDACTED] told me [REDACTED] heard what was going on. [REDACTED] was able to get [REDACTED] out of the house and [REDACTED] grabbed the phone on his way out. [REDACTED] called 911.

**REPORT NARRATIVE****ORIGIN:**

On 2/16/2015, at approximately 1135 hours, I, along with multiple other deputies, was dispatched to a call of an assault with a deadly weapon at ██████ Lemon Street, in Spring Valley (CAD#E2310822). The reporting party stated his uncle was trying to kill his grandmother.

**DEPUTY'S OBSERVATION AND ACTIONS:**

I was responding to the scene Code 3-lights and sirens. My partners Deputy Ventura (0091) and Deputy Vail (0606) arrived on scene before me. They put out radio traffic of making contact with a subject who was non-compliant with verbal commands. Their radio traffic then became unreadable. I arrived on scene. I could see my partners struggling with a male subject on the ground, later identified as James Davis. Davis was lying on his stomach with his hands underneath him. Just as I arrived to my partners they were able to place Davis's hands behind his back. I took out my handcuffs to restrain Davis so he could not hurt himself, me, or my partners. I placed my handcuffs on Davis, and then with both my hands applied downward pressure on his body to keep him from standing back up. I remained with Davis until medical personnel arrived to evaluate him.

I rode with Davis in AMR 256 to University of California San Diego Medical Center. Deputy Ventura and Deputy Vail followed us. Davis was uncooperative answering the paramedic's questions. Davis mumbled and spoke in a low voice. Davis made comments about wanting to die.

After arriving to the hospital, Specimen Specialists Blood Tech (██████████) responded to our location and took a blood sample from Davis. I took possession of the blood sample. I asked Davis if I could take a reference oral swab from him, he said "No." and shook his head side to side. Around 1425 hours I verbally served an Emergency Protective Order against Davis.

I asked Davis if he would be willing to sign a medical records release. He agreed and signed the form. I took digital images of Davis. Hospital staff advised Davis was going to be admitted to the hospital. Detentions Investigations Unit (DIU) Sgt. Kamoss (4202) arrived and I informed him of the situation. Sgt. Kamoss contacted the watch commander at the San Diego Central Jail and informed him of the situation. Deputy Sprague (3338) and Deputy Oules (0227) arrived and relieved me and Deputy Vail.

I returned to the Rancho San Diego Station and entered Davis's blood sample into evidence.

Upon arrival I saw Deputy Ventura and Deputy Vail standing over a white male adult who was identified as the suspect, James Davis. James was detained in handcuffs and laying on the concrete. As I approached the front door I saw another white male adult who identified himself as [REDACTED] [REDACTED] was exiting the residence and I could see blood coming down the back of his head over to his right ear.

[REDACTED] provided me with the following statement.

STATEMENT of [REDACTED] (Victim):

[REDACTED] heard his brother, James Davis, yelling at his mother. [REDACTED] then walked to his mother's room to see what was going on. It was at this time that [REDACTED] saw James hitting his mother and father. He saw [REDACTED] swinging a hatchet around. [REDACTED] intervened by jumping on James and putting him in a "Choke" hold in order to try to get him to stop. During his attempt subdue James, [REDACTED] was struck in the head with a broom stick which his father was swinging at James to try and get him to stop.

[REDACTED] does not feel that his father intentionally hit him but this is why [REDACTED] head was bleeding. This concluded [REDACTED] statement.

INVESTIGATION continued:

I then walked across the street and contacted the reporting party [REDACTED] [REDACTED] provided me with the following statement.

STATEMENT of [REDACTED] (Witness):

[REDACTED] was in his room playing video games with his friend [REDACTED]. He heard arguing going on in his grandmother's bedroom so he shut the door. Eventually the arguing got louder so [REDACTED] told [REDACTED] to run out of the house. As he opened the door for [REDACTED] to run from the house, he saw his Uncle James on top of his grandmother hitting her in the head. He could see her bleeding so he grabbed the telephone, ran outside, and dialed 911 to report the incident.

Once outside he ran to his neighbor's house for safety. He did not see anything further. This concluded [REDACTED] statement.

INVESTIGATION continued:

I contacted [REDACTED] and she told me that she did not see anything. She only heard the arguing but could not understand what they were saying.

I then checked for any signs of video surveillance cameras in the area. I was unable to locate any cameras. I escorted [REDACTED] to an ambulance where he was treated for his wounds. He was later transported to the hospital for further treatment. This concluded my involvement in this case.

**REPORT NARRATIVE****ORIGIN:**

On 02-16-15, at about 1137 hours, I responded to a call of a fight that soon after was upgraded to a 245PC (Assault with a Deadly Weapon) at █████ Lemon St, Spring Valley. I arrived at about 1141 hours. (CAD#E2310822)

**BACKGROUND:**

The reporting party was the grandson, █████ (█████ years old). █████ told Sheriff's Dispatch, "My uncle is trying to kill my grandma." █████ attempted to keep Sheriff's Dispatch updated on what was happening on scene. █████ was so afraid that he ran to a neighbor's yard while still on the phone with Sheriff's Dispatch.

**DEPUTY'S OBSERVATIONS AND ACTIONS:**

I arrived on scene first and observed █████ in the driveway at a residence just west of █████ Lemon St. █████ saw me and began to point east at the residence at █████ Lemon St. I parked on the street, immediately exited my patrol vehicle and grabbed my partner Hank by his collar. As I began to walk up the driveway towards the front of the residence I observed a male later identified as James Davis exit the front door. Davis was wearing a large loose fitted red jacket, his eyes were large, he had a "Thousand Yard Stare," he had blood on his face, he had a dry pasty mouth, his lips were dry and I could see that his tongue was white and pasty. I believed Davis was exhibiting outward signs of being under the influence of a controlled substance.

Davis began to walk towards me and he said, "Just shoot me." I immediately began to yell "Sheriff's department get on the ground or you will be bit" numerous times but he ignored me. Hank was barking and Davis was not fazed by it. At this point I was unsure if Davis was the suspect or a victim. Just then Deputy Ventura, #0091, arrived on scene to assist me. Davis stopped, turned away from me and began to walk towards the side of the house. I began to follow Davis and had Ventura check for occupants inside the residence. I continued following Davis continually yelling at him to "Stop" "Get on the ground or you're gonna get bit" but he ignored me. I then observed Davis move into an inlet on the side of the house. As I continued yelling at Davis, Ventura came to me and said, "That's him." I was now convinced that Davis was the suspect in the situation I was dealing with. Davis exited the inlet and I was unsure if he had accessed a weapon from the area and now had it

concealed on his person. I continued yelling at Davis to "Get on the ground or you're gonna get bit" but he refused and said, "Just shoot me."

Davis began to advance towards Deputy Ventura and me so we began to move backwards to create distance. My intention was to have the canine available at the scene as a psychological deterrent to any aggressive acts Davis might make against my partners the public and me. Additionally, I wanted to prevent the use of a higher level of force. Davis was advancing towards us and I was unsure if he was armed. The totality of the circumstances heightened my awareness of the situation. I believed Davis was under the influence of a controlled substance, the call was now upgraded to a 245PC (Assault with a Deadly Weapon), I did not want him fleeing into neighboring properties and the grandson stated, "My uncle is trying to kill my grandma." Through my experience, subjects that are under the influence of a controlled substance are irrational and unpredictable in their actions.

Davis continued advancing towards us and to prevent him from attacking us or moving into an open area where he could flee; I chose to deploy Hank in apprehending Davis. I observed Hank run towards Davis and attempt to make contact. Davis turned to his left and moved back. I observed that Hank had a hold of Davis' red jacket and was pulling on it. I ran up to Davis and he took a fighting stance towards me with his hands raised up, ready to fight. I was able to push Davis to the ground causing him to fall down onto his buttocks. I then began to get concerned that Davis was going to get back onto his feet and begin to fight us. Just then I observed Deputy Ventura deploy her Taser at Davis. For a brief moment Davis tensed up then relaxed. The Taser was ineffective and Davis began to get onto his feet. I quickly rushed Davis and landed on top of him. Hank continued pulling on Davis' jacket. Davis was now on his back and I placed my right shin across Davis' stomach. Davis began to kick his legs and arms around attempting to get out of my hold. I began to yell at Davis to "Stop Resisting" but he refused. I then began to feel him trying to roll onto his side. I immediately began to hit Davis on the left side of his face and his upper chest area with my right hand (hammer strike).

My strikes had no effect on Davis and I wanted to reengage Hank onto Davis. I moved down towards Davis' legs and began to hit him (hammer strike) on the right side of his stomach. Davis was now attempting to kick us and I tried to keep body weight on his legs using my knees/shins. Deputy Ventura was now fighting with Davis and I was able to remove Hank from Davis' jacket and redeploy him onto Davis' right thigh. I then heard Davis scream and he began to kick at Hank with his left leg. I again hit Davis on his stomach area (hammer strike) yelling at him to "Stop Resisting" but he still refused. I was attempting to get control of Davis' arms but he continued moving them around to keep us from getting control of him. I began to get tired but was able to push him over on his stomach. I was able to pull Davis' left arm behind his back and hold it there. Deputy Ventura was still struggling to get control of Davis' right arm; just then I observed Deputy Douglas, #4911, and other deputies coming to help us. Deputy Douglas and the other deputies were able to handcuff Davis. I then removed Hank from his contact and placed him back inside my patrol vehicle.

The San Miguel Fire Department Engine, #7615, Engine, #7614, and American Medical Response (AMR), #256, arrived on scene to tend to the victims and Davis. AMR, #256, advised me they would be transporting Davis to UCSD Medical Center for further treatment. I contacted Canine Sergeant Hout, #2284, to advise him of the canine contact. Sergeant Hout advised me he would be responding to investigate the incident. I followed AMR, #256, to UCSD Medical Center. A short time later, Sergeant Hout, arrived at UCSD Medical Center to handle the investigation. At the hospital, Medical Doctor [REDACTED] treated Davis. I stayed at the hospital with Davis until relieved by Deputies Sprague, #3338, and Oules, #0227. I was advised by nursing staff that Davis would be admitted for 24 hour surveillance due to him claiming injury to his head. Nursing staff was concerned Davis possibly suffered a concussion.

While at the hospital, Davis was uncooperative, was fidgety, had a dry pasty mouth and a shiny brow. I believed Davis was exhibiting outward signs of being under the influence of a controlled substance. I asked Davis if he used meth and he said, "No, I'm just naturally spun up." I asked Davis if we could take a blood sample for evidentiary purposes and he said, "Sure." At about 1333 hours, Davis, submitted a voluntary blood sample. Phlebotomist [REDACTED], from Specimen Specialists of America took the blood draw. Davis' blood sample was placed in the evidence refrigerator at the Rancho San Diego (RSD) station by Deputy Seamen.

**REPORT NARRATIVE****ORIGIN:**

On 2/16/2015, at approximately 1135 hours, I assisted Deputy Ventura SH0091 with an attempt 187 PC-Homicide/245PC-Assault with a Deadly Weapon at █████ Lemon Street, in Spring Valley (CAD#E2310822).

**DEPUTY'S OBSERVATION AND ACTIONS:**

I arrived at █████ Lemon Street, in Spring Valley. I started helping to coordinate ambulances for the injured victims and the suspect. I filled out medical records release forms and had them signed by █████ and █████. After the victims and suspect were transported by ambulance to the hospital, I filled out an Emergency Protective Order (EPO) and contacted the on call judge by telephone to get it approved. The on call judge approved the EPO; I explained the EPO to the protected parties █████ and █████ and provided him with a copy.

I stayed at █████ Lemon Street, in Spring Valley and helped secure the scene of the incident until area detectives arrived at the location to process the scene. I did not take any statements from anyone reference the incident. After Detective Weber SH0438 arrived at the location, I gave him a brief statement reference the incident. After I spoke with Detective Weber I left the scene.

**SAN DIEGO COUNTY SHERIFF'S DEPARTMENT  
MEMORANDUM**

DATE: 02/16/2015

TO: Paul Robbins, Lieutenant

FROM: Brian Hout

SUBJECT: Review of CN# 15108295

**CONFIDENTIAL:**

On 02/16/2015, at approximately 1137 hours, Deputy Vail assisted Spring Valley Deputies with a 245 P.C. Assault with a Deadly Weapon in progress at [REDACTED] Lemon Street in Spring Valley. The reporting party, an [REDACTED] year old boy, advised Sheriff's Dispatch his uncle, later identified as James Davis DOB [REDACTED], was trying to kill his grandmother.

Deputy Vail and his canine were first to arrive on scene.

**STATEMENT FROM DEPUTY VAIL:**

Based on the violent nature of the call, Deputy Vail exited his patrol vehicle with his canine. Deputy Vail approached the residence and observed Davis exiting the front door. Deputy Vail noticed Davis had blood on his face and what Deputy Vail described as a "Thousand yard stare." Deputy Vail recognized Davis' appearance to be consistent with that of someone under the influence of a controlled substance. At this point, Deputy Vail did not know if Davis was the suspect or a possible victim.

When Davis saw Deputy Vail, he advanced toward him saying "Just shoot me." Deputy Vail backed up to keep distance between him and Davis and ordered Davis repeatedly to lie on the ground. Davis refused.

Davis turned and began walking toward the backyard of the residence. Deputy Vail followed. Deputy Vail continued to order Davis to the ground and gave numerous canine warnings in an attempt to gain compliance.

Deputy Ventura arrived to assist Deputy Vail. Deputy Ventura checked the residence and was advised by witnesses that Davis was the suspect. Deputy Ventura advised Deputy Vail Davis was the suspect and went to Deputy Vail's location.

It appeared Davis was attempting to enter the house but then stopped, turned around and began walking back toward Deputy Vail's location. Deputy Vail continued to order Davis to the ground but he refused.

Davis was wearing a large bulky jacket that prevented Deputy Vail from seeing whether or not he had a weapon concealed on his person. In an effort to protect himself and Deputy Ventura from Davis, and gain control of him, Deputy Vail deployed his canine to subdue Davis.

Deputy Vail's canine bit Davis' jacket. Deputy Vail advanced toward Davis and Davis took a fighting stance. Deputy Vail pushed Davis to the ground. It appeared Davis was attempting to get back up. Deputy Ventura deployed Taser however the Taser was only briefly effective in stopping Davis.

Davis began trying to get up and Deputy Vail used body weight to try and hold him down. Davis continued to resist and began kicking his legs and swinging his arms. Deputy Vail struck Davis in the face and chest with hammer fist strikes in an effort to stop his resistance. The strikes were not effective.

Deputy Vail realized his canine had only bitten Davis' jacket and the bite was not effective in controlling Davis. Deputy Vail removed his canine from the bite and redeployed him on to Davis' leg. When the canine bit Davis' leg, he yelled in pain.

Davis began kicking at Deputy Vail's canine and continued to fight Deputy Ventura and Deputy Vail. Deputy Vail began to get tired but successfully pushed Davis on to his stomach. Deputy Vail grabbed Davis' left arm and forced it in to handcuffing position. Deputy Ventura was unable to get Davis' right arm in to handcuffing position. Several other Deputies arrived and assisted in forcing Davis' right arm in to handcuffing position.

Davis was successfully handcuffed without further force. Deputy Vail ordered his canine to release his bite. The canine released Davis immediately.

Deputy Vail advised the Sheriff's Communication Center of the canine contact and requested medical assistance. Deputy Vail also requested the notification of the Sheriff's Canine Unit Sergeant.

Davis was treated at the scene by San Miguel Fire and AMR 256. Davis was transported by AMR 256 to UCSD Hospital located at 200 West Arbor Drive in San Diego.

I concluded my interview of Deputy Vail.

I contacted Davis in the emergency room. Davis was cooperative and willing to speak with me. I obtained the following recorded statement from Davis.

## **STATEMENT FROM JAMES DAVIS:**

Davis understood I was interviewing him regarding the use of the Sheriff's K9 and that the interview was being recorded.

Davis said he suffers from over exposure to everything. Davis said he is not taking any street drugs but did take Benadryl earlier in the day.

Davis said he is pretty blind but can see well enough to get around.

I asked Davis if he heard the Sheriff's K9 announcement. Davis said he did not hear the canine warning. I asked Davis why he didn't comply with the Deputies but he refused to answer.

Davis said the canine was biting him for a while but couldn't say how long.

Davis said he didn't know how the canine was taken off of him.

Davis had nothing further to add.

I concluded my interview of Davis. I photographed Davis.

## **CONCLUSION:**

Deputy Vail's decision to use his K9 to apprehend Davis was based on the following factors:

**Davis was the suspect of 245 P.C. Assault with a Deadly Weapon.**

**Davis was actively resisting Deputy's attempts to arrest him by fighting and refusing to obey lawful commands to surrender.**

**The use of the canine was within policy and deployed in an appropriate manner.**

## **REVIEW:**

On 02/16/15, at about 0040 hours, I was notified by Sheriff's Dispatch that Deputy Vail's canine had made contact with Davis. I was advised Davis had been transported by AMR 256 to UCSD Hospital located at 200 West Arbor Drive in San Diego.

I made all appropriate notifications to both the Communications Lieutenant as well as the on call Divisional of Inspectional Services Sergeant Kamoss.

Photos were taken of Davis's injuries and an interview was conducted regarding the incident. The interview and photographs of Davis were copied to a CD-R disc and attached to this investigation.

**INJURIES:**

Davis sustained two five inch lacerations, punctures and rakes to his right leg. Davis also sustained rake marks and two punctures to his back.

VICTIM(S):	[REDACTED]	INCIDENT DATE:	2/16/2015

**SERVICE REQUESTED:**

DNA Analysis

**EVIDENCE SUBMITTED:**

Item 2 Hatchet (Lab ID 2)  
Item 20 Towel (Lab ID 20)  
Item 24 Oral reference sample from James Davis (Lab ID 24)  
Item 25 Oral reference sample from [REDACTED] (Lab ID 25)

**RESULTS:**

No blood was detected on item 2. Two areas of item 2 were swabbed and processed separately. One swab was used to swab the handle of item 2 and the entire swab was extracted for DNA analysis as item 2A (Lab ID 2.01). One swab was used to swab the blade of item 2 and the entire swab was extracted for DNA analysis as item 2B (Lab ID 2.02).

Blood was indicated on a stain on item 20. A portion of that stain from item 20 was extracted for DNA analysis.

Portions of items 24 and 25 were extracted for DNA analysis. The extracted human DNA from items 2A, 2B, 20, 24, and 25 was amplified using the AmpF/STR Identifier Plus PCR amplification kit and analyzed on an Applied Biosystems genetic analyzer.

**CONCLUSIONS:**

***Item 2A: Swab of handle of hatchet (Lab ID 2.01)***

The DNA profile obtained from item 2A indicates a mixture of DNA from at least three individuals. [REDACTED] and James Davis are included as possible contributors to the DNA profile obtained from item 2A. Assuming only three contributors, the probability of randomly selecting a person that would be included as a possible contributor to the DNA profile obtained from item 2A is approximately 1 in 26.\*

Caucasian	1 in 26
African-American	1 in 52
Hispanic	1 in 27

The following genetic locations were used in this statistical calculation: D8S1179, D21S11, D7S820, D3S1358, TH01, D16S539, D18S51, D5S818).

***Item 2B: Swab of blade of hatchet (Lab ID 2.02)***

The DNA profile obtained from item 2B indicates a mixture of DNA from at least three individuals. The major DNA profile obtained from item 2B matches the DNA profile obtained from James Davis. The probability of randomly selecting a person that would match the major DNA profile obtained from item 2B is approximately 1 in 250 quadrillion.\*

Caucasian	1 in 250 quadrillion
African-American	1 in 3.8 quintillion
Hispanic	1 in 1.2 quintillion

[REDACTED] is excluded as a possible contributor to the major DNA profile obtained from item 2B. Due to low level results and number of contributors, the minor contribution is not suitable for comparison to references or CODIS.

***Item 20: Towel (Lab ID 20)***

The DNA profile obtained from item 20 matches the DNA profile obtained from [REDACTED]. The probability of randomly selecting a person that would match the DNA profile obtained from item 20 is approximately 1 in 330 quintillion.\*

Caucasian	1 in 640 quintillion
African-American	1 in 330 quintillion
Hispanic	1 in 3.9 sextillion

James Davis is excluded as a possible contributor to the DNA profile obtained from item 20.

\*All calculations are based on three major U.S. population groups and assume individuals unrelated to the true contributor.

## Use of Force Supplemental

### Use of Force Supplemental Instructions

**Lines 1 & 3:** Fill in the blanks.

**Line 2:** If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

**Primary Reason for Using Force:** Check appropriate box(s).

**Subject Appeared To Be:** Check if applicable.

**Number of Officers on Scene:** List number of officers present.

**Number of Officers Using Force:** List number of officers that used force.

**Level(s) of Resistance Encountered:** Check appropriate box(s).

**L.E. Tool/Technique Used:** Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

**Was Initial Use of Force Effective?** If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

**Was Additional Control or Force Needed:** If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

**Target Distance:** If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

**Subject Injured:** Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

**Extent of Treatment:** Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

**Officer Injured:** Check appropriate box (see above).

**Extent of Treatment:** Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

**Other Force Used/Comments/Equipment Performance:** This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

**Mark Figure to Indicate Contact Points:** When applicable, mark the areas on the figure where applied force contacted the subject's body.

**Sergeant:** Sign, list ARJIS number and date reviewed.

**Lieutenant:** Sign, list ARJIS number and date reviewed.

**Captain:** Sign, list ARJIS number and date reviewed.
